

WHAT'S ON AT LOFTY?

Term 3 Week 5, 5th August 2024 – 9th August 2024

- It was great to see so many wonderful parents and carers attend our Subject Selection evening on Tuesday. Your support and involvement in helping your child make good decisions is invaluable. We look forward to seeing our Year 9 & 10 parents join the team for Subject Selection (SETP) interviews. Please contact the office to book your time, or book directly through DayMap. Thank you for being wonderful supporters of your child's learning.
- Congratulations to all students who have submitted their talent into the CREATE Art Show. It was a tough decision to determine the Principal's Choice Award. Best of luck to all students on winning the fabulous prizes!
- It was wonderful to welcome another Chinese International School into our community this week. Such an amazing experience for them as well as our families hosting the students.
- Our Certificate III Fitness students have been putting the staff through the fitness hoops over the last fortnight. It is so delightful seeing students commit so seriously to their studies and staff willingly participate in what is a truly authentic experience. Congratulations to all involved.
