- 2026 Booklists, SRS Fee information and Subject Fee Charges have now been approved by P&C, and are available on the school website at:  
<https://toowoombashs.eq.edu.au/calendar-and-news/news/2026-fees-and-charges>
- P&C have endorsed a requirement for all current year fees to be paid for all year levels, prior to payment of extra-curricular events, e.g. End of Year Rewards Trips, Jerseys/Jackets and Formal.
- Joining QParents is now even easier! Parents can now create their QParents account and request access to their student's information directly, by joining at: <https://qparents.qld.edu.au/landing>. Parents will then have access to their child's information, enabling them to complete school-related updates and stay informed about their student in real time.
- For parents with **Prep to Yr 6 Students**: The Back to school boost provides a \$100 credit for each primary school student from the start of 2026. This \$100 credit will assist families with school costs during 2026. A \$100 credit will be placed on the account of all students enrolled in Prep to Year 6 from the start of the 2026 school year. Families choose which cost they will use their \$100 for throughout the year. For example, families may apply their 2026 Back to school boost towards the cost of the Student Resource Scheme (SRS) or, other school related expenses such as excursions, camps, or extra-curricular activities.  
**Please note that the Back to school boost cannot be used for reimbursement of purchases made at external stores, nor can it be provided as a cash payment to families or students.**
