

WHAT'S ON AT LOFTY?

Term 1 Week 5, 23rd - 27th February 2026

- Great to see our Year 10 cohort receive their laptops this week! This is a fantastic addition to learning and provides many opportunities for students to engage in their selected senior pathway. For those who may have not received theirs this round, please return your paperwork and bond to ensure you don't miss out!
- "Watch this Space" happened today! Curiosity has been building all week amongst students about what it could be. Fantastic to see high attendance today with so many students receiving a free ice cream from the Home Ice Cream truck!
- Swimming Carnival is next Friday! Lunch will only be available via pre-order only. Please download the School Shop Online App and order by Wednesday 25th 6pm.
- P&C are hosting a Bunnings Sausage Sizzle at Toowoomba North on March 22. Please consider supporting this hard-working committee by volunteering for an hour or two.
