Did you Know:

- If you are aware that your child will be leaving early, have them present to the Student Centre **before** school with a note, give us a call early in the day or email the Student Centre at StudentCentre@toowoombashes.eq.edu.au and a leave request will be issued. Students will be released from class with minimal disruption. For **emergency cases** - please contact the Student Centre 07 4637 1371 opt 2 and we will endeavour to get students from class, but as you can appreciate, **this may not always be possible**.
- Children and young people aged 4–18 are invited to take part in the 2026 Queensland Day Art Competition by creating an artwork that shows 'What Queensland Means to You'. Students can submit drawings, paintings, photographs, digital artworks or mixed-media pieces. One artwork can be submitted per child, and a parent or guardian must upload the entry on their behalf. Entries close on Friday 22 May. Winners will be announced on 5 June, with selected artworks displayed at the BNE Domestic Terminal Gallery throughout July. [Learn more and enter online](#).
- Queensland students and teachers are invited to apply for two-week European adventure retracing the footsteps of the Anzacs through the UK, France and Belgium. Through the Premier's Anzac Prize, participants will experience history first-hand while deepening their understanding of the Anzac legacy and developing as global citizens. Applications are now open for the 2027 Premier's Anzac Prize. Register to attend an upcoming online information session on [21 May \(teachers\)](#), [26 May \(students\)](#) or [18 June \(general\)](#) to learn more. For more information and to apply, visit the [Premier's Anzac Prize website](#).
 - The [2026 Premier's Coding Challenge](#) is now open for students in Years 3–10. Celebrating its 10th year, the challenge encourages students to design and create an app, game or website aligned to the theme Online Safety QLD. Student projects will explore privacy and security while helping Queenslanders learn how to stay safe online. The challenge supports the Digital Technologies curriculum and builds skills in coding, creativity, collaboration and critical thinking. Schools are encouraged to support individual students or teams to participate.
