- **Congratulations** to the Support Team on another successful R U OK Day! It was wonderful to see so many students access presentations by local services and engage in the activities on the day. It only takes one question – R U OK to make a difference to someone else.
- Good luck to our Year 11s completing Unit 2 Exams next week. All students are expected to attend. Should a student be unwell, they must provide a medical certificate.
- Best wishes to students and staff traveling to Japan this week! We hope there are many new experiences and stories shared upon your return.
- Food Trucks are back on Wednesday! The tuckshop will be closed both breaks and a variety of Food Trucks will be available. Support the P&C next Wednesday!
- New e-bike and e-scooter age and licencing laws - New laws now require e-bike and e-scooter riders to be 16 and hold a valid drivers licence (learner minimum). Children aged 12-15, and 16-17 year olds without a valid licence, must be supervised by a parent or carer. For more information visit the [StreetSmarts website](https://www.street-smarts.com.au/).

TERM 3 WEEK 10

14 September - 18 September

DID YOU KNOW?

Stay healthy, stay strong:

As the term draws to a close, maintaining healthy routines during these final weeks helps students stay engaged until the final day of term, and to finish strong. Flu season impacts attendance and can disrupt students' learning and progress. If your child is unwell, please inform the school. By working together, we can reduce the spread of illness and help students stay connected to their learning through to the end of Term.

Visit the [Everyday counts webpage](#) for more information around the importance of attending school until the last day, and practical resources sharing simple flu prevention strategies.

Australian Olympic Change-Maker Program

Nominate Here

Year 10, 11 and 12 students who use sport to make a positive difference in their school or community are invited to be nominated for the Australian Olympic Change-Maker Program.

The program recognises young leaders who demonstrate the Olympic spirit, with selected students invited to attend the National Summit.

Interested students can speak with a teacher in the HPE Department to discuss a nomination.

Scholarships and Grants - Teaching

A range of scholarships and grants to support people currently studying, or planning to study, a teaching degree are available.
