Mental health isn't just shaped in clinics; it's built in everyday moments of community life. A conversation at the school gate. A local club that makes you feel you belong.

Safer Schoolies wristband registrations open

Located on Surfers Paradise Beach, the hub offers a full week of activities and entertainment in a dedicated drug and alcohol-free environment, giving school leavers a safe space to celebrate exclusively with their peers. Registered students will also receive important information and updates before and during the Schoolies celebration period.

For more information visit the [Safer Schoolies website](#).
