FROM THE PRINCIPAL

- School Opinion Survey closes Friday August 21. We would love to hear from you. Check your inboxes for a link!
- Good luck to all Year 11s participating in the 2027 Student Leadership Application Process. We can't wait to hear your ambitions for the year ahead!
- Lofty Legend draws (\$20, \$10, \$5 Vouchers) are still happening every Whole School Assembly. To be in the draw, students need to attend 100% for the fortnight and have only positive behaviour.
- We're acknowledging "Say No to Bullying" next week with a huge variety of activities across the school. Fantastic to see so many events to support this important initiative.
- Science Week is on also next week! Lots of Volcano action and Science demonstrations in the QUAD at lunchtimes.

TERM 3 WEEK 6

17th - 21st AUGUST

DID YOU KNOW?

Create big change with small acts: Bullying No Way Week

Our school proudly supports Bullying No Way: National Week of Action, 17–21 August. This year's theme, Small Acts, Big Impact, shows how simple actions—like including others, speaking up or showing kindness—can drive meaningful change.

Bullying isn't just a school issue; it impacts entire communities. That's why schools, families and community groups must work together to create safe, inclusive spaces where everyone feels valued.

Join us in promoting respect, kindness and belonging during this important week. Visit the [Bullying No Way website for resources and support](#). Together, we can make bullying a thing of the past!

2026 State School Leavers Survey

The Department of Education wants to hear from Year 10, 11 and 12 students who left a state school during 2025, before completing Year 12. Eligible students will soon receive a letter with a personalised survey link and may also be contacted by email or phone. Parents/carers, please encourage them to take part. The survey takes only 5 minutes, and participants can win an iPad Air just for completing it.

Your feedback will help us improve learning experiences and support for future students. Please see www.qld.gov.au/nextstep/ or call (07) 3055 2845 for more information.

Premier's Coding Challenge – prepare your entries now

Is your child in Years 3 to 10? Encourage them to take part in this exciting opportunity to design an app, game or website aligned to the theme Online Safety QLD.

Students can win a share of the \$24,000 prize pool, and every participant receives a certificate of achievement from the Premier. Prepare your entries well ahead of the closing date on 11 September 2026.

Visit the [challenge website](#) for full details!

Stay healthy, stay strong

As the term draws to a close, maintaining healthy routines during these final weeks helps students stay engaged until the final day of term, and to finish strong. Flu season impacts attendance and can disrupt students' learning and progress. If your child is unwell, please inform the school. By working together, we can reduce the spread of illness and help students stay connected to their learning through to the end of term.

Visit the [Every day counts webpage](#) for more information around the importance of attending school until the last day, and practical resources sharing simple flu prevention strategies.
