

**CONSENT TO SPLIT STUDENT'S INVOICES**

We the undersigned acknowledge that ALL expenses incurred by our child including school fees, excursions, camps, etc will automatically be split as requested. I also acknowledge that if one party has paid their allocation and the other party has not paid their allocation the student will not be permitted to participate in the activity or event until such time as the other portion of the invoice is paid or paid according to the conditions of any contract including the Shared Resources Hiring Scheme.

We also acknowledge that our child may be denied the opportunity to participate in non-curriculum events such as Senior Jersey, School Formal and end of year activities until all accounts are paid and up to date.

If both parties are not in agreement, all accounts will be invoiced 100% responsibility of the enrolling parent. All invoices outstanding from previous years will still remain the responsibility of the enrolling parent.
