## BYOx – Expression of Interest

Dear Parent/Caregiver,

Toowoomba SHS is currently seeking to gauge the level of interest in our Junior Secondary, Bring Your Own Device (BYOx) program for Year 7 students commencing in 2018. The premise behind the program is that students will use a portable device such as a laptop computer or tablet as a tool to engage in learning across all areas of curriculum. Student participating in the BYOx program will have full access to school network and internet on their own device.

Parents/Caregivers who opt to have a student involved in the program will be required to provide a suitable portable device. All necessary software will be provided by the school. We are currently evaluating a range of devices in order to assess their suitability and as such at this point we cannot provide clear advice on a recommended device.

There will be further discussion at the school's Information Evening being held at 5:30pm on Monday 12 June. A dedicated information session will be held on Monday 11 September, commencing 6:00pm, at Toowoomba SHS Assembly Hall, with the purpose being to outline key aspects of the program including entry requirements, recommended devices and associated costs, as well as providing an opportunity to ask questions.

Should you wish to express an interest in the program please complete the slip below and return to Toowoomba State High School office along with enrolment application. A copy of the BYOx charter is available on our school webpage [www.toowoombashs.eq.edu.au](http://www.toowoombashs.eq.edu.au)

Should you have any queries in relation to this proposed program, please contact the school or alternately attend our information evening.

Sincerely

Tony Kennedy  
Principal

Richard Kelly  
Head of eLearning
